The Premises:

Nice apartment and quite spacious. Easy to find.

The Lady:

Definitely the girl in the photos. Very cute petite girl with a lovely toned body.

The Story:

What a great punt. I hadn't used this agency for a while but liked her look and was very glad I called them. She was passionate, tight and really loved to suck and to fuck. Had a lot of fun for the full hour and will go back and see her again. The only glitch was that anal was not available as she had not prepared for it. That didn't matter as she was fun and knew how to please.

Be cautious with the agency though as I had a very different experience with a different girl (Aida) from the same agency the following week, who was not the girl shown in the photos, but that is in a different review...
