The Premises:

Nice apartment on Sloane Ave. - easy to find. Decent shower (actually one of the better escort bathrooms I've seen), but the bedroom was not quite so nice (a futon rather than a regular mattress), though she made it work quite nicely.

The Lady:

This girl is AMAZING! When I described to the agency what I was looking for (blonde, firm boobs, GFE services, etc.), they recommended Anisa and they were spot on. Anisa's figure is enough to make you shoot your wad upon seeing her. She dressed exactly as I asked, and her ability to use her stunning figure and good looks to her advantage played well throughout the visit. Her English is great, and she's got a cute smile and a good sense of humor. When we weren't otherwise occupied, I quite enjoyed the casual and relaxed time with her.

The Story:

This girl knows what she is doing, enjoys it, and sees to it that you enjoy it as well. She is responsive and active throughout. Her kissing is a complete turn-on - she knows just how to tease and engage you. As she slowly unveils her "assets", you realize just what a magnificent young lady she is. She enjoys having you explore every inch of her body, and she lets you know it. Once she's nice and wet, the sex is killer.

Excellent massage to help you recover, just in time for round 2.

I've been seeing escorts in London for several years now, always in search of the perfect combination of looks, figure, services, and personality. Anisa is the one, and as long as she's in London, I'll only be seeing her from now on.
