### Details of Service Provider:

### The Premises:

A few minutes walk uphill from New Cross station. Clean place, and there were quite a few people around the area. But I wouldn't want to go late at night.

### The Lady:

Slim, petite, eastern European lady. Nice boobs, on the small side but as I like them.

### The Story:

Good value punt, starting with owo and moving onto covered sex in mish. Had a good time with this lady and the service she gave was great. Will go earlier in the day when I next go, but would certainly recommend.
