### The Premises:

Small room in a house in Marylebone, easy to find, near the train station. Clean, but a little too small and warm. The bed was adequate and the bathroom was a little walk down some short steps.

### The Lady:

Megan is beautiful. She met me wearing high heels and she was almost 6ft! They must have been 4 inches but she is still tall without them. She has a pretty face, brunette hair, long legs up to a nice ass. Lovely round tits which she thinks are too small but they must be C and are a handful and lovely and soft. She looks much like her pics even though they have been slightly photoshopped. Megan tries really hard to please, she had waxed her pussy and was very keen to show it off. It is probably the softest loveliest pussy I have ever had!

### The Story:

She sat me on the bed and explained she didn't do A-levels, which I knew and wasn't after anyway so that was fine with me. We then started kissing and caressing. I started to give her oral, her pussy was so silky and wet! She orgasmed and we swapped round. We moved on to 69 and then sex in many positions, the best was her riding me on top, she was very energetic and writhing around. Fabulous!

Megan really is a sweetie, very friendly and relaxed. She definitely aims to please and I was very taken by her.
