The Premises:

A chain hotel in the centre of Bath, clean and convenient and with no prying eyes. I've had fun there before!

The Lady:

EB is a curvy and voluptuous lady, with a very pretty face, flashing eyes and perfect teeth, full luscious lips, magnificent boobs and long shapely legs - wow, what a package!!!!

The Story:

Finding myself on the loose, I discovered from her site that EB would be on tour in Bath today. The booking was easily made via her site and I arrived right on time. EB gave me final directions to her room from outside and I knocked gently on her door. EB greeted me fetchingly attired in luxury underwear, stockings and high heels, with her face exquisitely made up - a class act, indeed! EB sat me on a chair next to the bed and offered me a drink. Then she suggested a shower, which was a good idea, the day being humid for October. EB kindly and unobtrusively assisted me with the shower and helped to dry me afterwards, a nice touch. EB next proposed a massage, so I lay face down on the face whilst she gently plied her skills, finishing with a sensual tit massage. After that it was time for the real fun to begin, but I shan't be giving any more details, folks - suffice to say that the 2 hours passed in a blur of pleasure and sensuality, punctuated by laughter and good conversation.

EB tours throughout the country, so if she arrives at a town near you, don't miss her - she's a real hot babe! And please do come back again to Bath soon, sweetie xxxx.
