### The Story:

I had wanted to see this girl she came into the room discussed what she did and did not do, she does not do kissing or owo, at this point, i considered asking to see another girl, but i gave her a chance and well i have to say with deep regret it was my worst punt here ever, service too impersonal, she tried to take minutes off my appointment, but i had checked what time i arrived, so i knew i had more minutes left than she said, it overall was so disappointing, i hope she matures and at least offers kissing as it is well just so impersonal,
