The Story:

Finished work a bit late and feeling a bit horny decided to pay Paris a visit at Karmasutra girls. Phoned ahead and made a booking and got there on time and shown to the room at the top floor.

Paris came in as I was drying myself and asked me where the feck I had been. I'd seen her previously when she worked at Infinity well over a year ago on a semi regular basis so this was a tongue in cheek greeting. We caught up for 5 minutes and then I pointed at my cock and asked her if she could help with my affliction. She duly obliged. For those that haven't seen Paris's pictures on the KSG website she's around 6ft tall, blonde amazon type, massive tits and is basically man hungry.

Ran through the usual PSE rated service with a hint of GFE. Services included DFK, me rimming her while fingering her from behind, OWO, 69, face sitting and missionary sex with DFK to climax. Highlight of the 30 minutes was when I asked her to sit on my face and she properly did. I really wish my tongue was longer (I think she does too).
