### The Premises:

I met her at her flat in West London. Her flat is a basement flat, small, but clean and well appointed. Large bed in the middle of the living room. And large mirrors next to bed which comes in handy.

### The Lady:

Tilly is a tall lady with all the curves at the right places. She has long brown hair. As mentioned, she is a tall lady (5ft10) and seeing her in high heels and hold up stockings is memory I will cherish. She is a very chatty and nice girl. Easy to talk to and has a great character. I found it very easy to communicate with her and we could talk about several topics.

### The Story:

Once we had the donation out of the way and after a few chats, Tilly was keen to get the action started. Her BBBJ is very good and she really appreciated the DATY I gave her. Sex was vigorous and was delivered in multiple positions. As this was a three hour date, we had time to go at it multiple times and she seemed to enjoy it every time (as I did). She is not cheap, but I would probably visit her again.
