The Premises:

Where do I start?

Went to a dingy room in a well known block of flats, with a mattress on the floor. This took up the entire room.

The Lady:

Slim with pumped up man made knockers.

The Story:

She was disinterested from the outset. Went through the motions but not really interested in being there. Only focus was to get me out of there.

Once the deed was done, she just used a wet wipe and got changed.
