The Premises:

Nice central London location in pleasant surroundings. It can be a bit difficult to find from the tube, but her place is clean, tidy and feels discrete.

The Lady:

Eveline is very attractive. She is lovely and slim with a fab bum, smooth skin, dreamy eyes and a cute mouth. Her new boob job means she now has a very pert, but firm pair. She looks just a little different in person to her photos, but clearly not due to any trickery. She looks really great in both!

The Story:

We got down to the fun very quickly with some nice soft kissing. Not French which was a bit disappointing but still very nice. OWO was up there among the best I've had, with both deep and shallow action while staring deep into my eyes. Wonderful. She was totally up for different positions, and was obviously looking to ensure that I had a good time.

The action lasted virtually the whole hour as I couldn't 'arrive' until the very end. Eveline, seemed really in to it, and was great throughout.

I've seen Eveline before and both times she was top notch.

I wish I had the time to talk to her more, as from the brief chat I did manage, she is clearly really nice!

I have no hesitation in recommending her highly.
