### The Premises:

An apartment in the Hub area of MK. Very clean place and you could be seeing anyone in the block when buzzing the door.

### The Lady:

The description that she gives on her profile does not do her justice. She always looks superb and her pictures never need to be airbrushed.

### The Story:

I was in MK for the day and fancied a nice wind down and relax. I have known Helen for some years now, so felt like going to see her.

Arranged to see her around midday, phoned through and made the appointment quite easily.

The time came to visit, so entered the apartment block and made my way to the apartment and knocked the door. Was met by Rachel, the maid, and went through to the room.

You need to understand that Helen is also a Domme, so has some of her equipment out. But please do not be put off by this, as you don't need to worry that she will be dominating if it is not what you want. She can provide the best GFE possible.

I have played with her before as being a sub, but more felt like having a kiss & cuddle this time.

When she entered the room we exchanged pleasantries and had a quick catch up, as we haven't seen each other for some time. She looked absolutely fantastic in a black lacy body-stockings, red bra and panties, with a stunning pinstriped under-bust corset. Then I got on to some having a wonderful time with her. I shall not discuss what we got up to, but she put me into a love relaxed state and a moment of ecstasy at the end.

I cannot recommend her enough, as she is superbly relaxed and really enjoys what she does.

I feel honoured to know her, and always have a good time with her.

The secret is to treat her with courtesy and respect, then she will blow your mind. Also, if you communicate what you are after, from her, she will always do her best to put her twist on it and make it a great time.
