The Story:

I booked in advance as Mistress Christine needed to arrange our appointment in a dungeon that she hires by the hour near Warren Street underground. Its extra £50 for the hour but I wanted to see what it was like. After our intial chat. I was lead to the "domination room". what a place. Naughty toys everywhere – Christine looks amazing in full latex! When Christine entered I was naked & kneeling. Soon she commanded me to lie face down on the bed. She then tied me up & spanked me good & hard. Slow warm up and then hard. I didn't want marks and she assured me I would have none. Which, a week later I can confirm is true. After that she released me, took me to the St Andrew's Cross. She then went to a cupboard, got a pump gag, & gagged me. She has powerful amyl and my head was rushing. Mistress then ordered me to come on the floor. I was forced to lick it. I want to see her with her strap on next time. Thank you Mistress. Poppers Peter.
