### The Story:

Been looking forward to seeing autumn for a long time and from the moment she walked in I new it was going to be worth the wait!!

She was very relaxed from the moment she walked in, I couldn't take my eyes off her! I asked if I could have a shower as I was concerned after a long day I may....."pong" a little....she leaned and and said are you sure u want to waste time with a shower and gave me the sexiest DFK I've had in a long time and started to undress me!!! Wow I was so hard so quick!! She told me to go and wash my cock in the sink and she would be waiting naked on the bed for me!! Love a girl with a sense of humour!!

When returned true to her word there she was...naked...as was I...my cock getting harder by the second!! Think I may of ran to the bed and just grabbed her and kissed her!! Autumns body is amazing I could kiss her boobs enough this was a great GF experience!! She laid me down and began to tease my cock with her amazing tongue and I could wait for her to swallow it...best bj ever!!

Condom on and she climbed on top of me, I asked her to let her down which she did, having this sexy long haired red head on my cock riding me, kissing me and letting me suck her amazing tits was brilliant...she made me feel like all she wanted was me and every now and then would ask me to fuck her harder!!!

I then positioned her so I could fuck her from behind...she gave plenty of encouragement and again asked me to fuck her harder...which I did!!! Once the deed was done we lay there naked talking, I couldn't take my eyes of this beautiful woman and almost forgot I had paid for the pleasure of her lovely company.

I can't wait to see her again!!!
