The Premises:

Easy to find location, street off the sea front. Good directions given. Some parking on streets (1 or 2 hour slots, depending on location) or Pay-and-Display nearby.

Felt quite safe. Pleasant street of shops where approach wasn't noticed.

Would be possible to arrive by train as well: about a 10 min walk from the station.

The Lady:

Wonderful lady, warm welcome, very chatty, felt at ease. Seems like she has been in the area a while and knows it well. Gorgeous boobs. Quite short, fine, curvy figure. Probably mid 40s.

The Story:

Spent a lot of time enjoying Cindy's cleavage and enormous boobs (very responsive).

She got to work with her hands on me, and it was very, very good.

I'm hooked.
