The Premises:

A safe location by Dunstall Park. The house was clean and tidy and easy to find.

The Lady:

Late 20's, 5'4", size 8, well toned, well curved and with a bubbly personality. She met me dressed well in a crop top and denim shorts, both of which showed her curves to perfection.

The Story:

This lady needs a visit. She does things with her mouth that are exceptional and then comes on top with a tight pussy which she expertly uses. She is a friendly girl who completely puts you at ease and makes sure that you go away with a smile and ready for the next visit.
