The Premises:

One of the nicest places I have ever been to for a punt. Clean, wonderful shower facilities ensuite, clean towels and a cheerful maid.

The Lady:

Valentina looks exactly like the pictures HoD has put up. No nasty surprises. Enhanced boobs but very nicely done and I prefer good looking ones that have had some help over 'natural' ones anyway. Gorgeous legs, face will melt icebergs. A dream girl to make love to.

The Story:

I arrived a bit early but was warmly welcomed by the maid who showed me in and immediately I saw Valentina sitting having a coffee. I knew I would be in for a treat. I was shown into the nicely appointed room and offered some water. 5 minutes later Valentina showed up and the hour I spent with her was pure heaven. Not only sexually but we also chatted about many things and she is a genuinely interesting, smart and warm lady to be with. I will not go into details of my encounter other than saying that everything was on the cards, nothing was too much trouble and that Valentina deserves the highest praise and I hope to see her in my hometown one day....
