The Premises:

Convenient location between Notting hill station and Bayswater. Small bedroom with bathroom along the corridor. The room was very dimly lit, which i find annoying as I like to see what i am banging. I asked for extra lights and she put on a small table lamp, hardly any improvement.

The Lady:

Older than the photoshopped website images. Still nice figure and petite. Only issue was the upper lip area was a bit dark, even for thai ladies.

The Story:

Was warmly welcomed on arrival, i promptly gave her the gift and was offered a range of alcoholic/ soft drinks. I went for the shower , which was unassisted! Came back to find her putting on a hard-core dvd on the tv, which is always welcome. No dfk or light kissing was on offer, after a quick covered oral we went to cow girl and finished in mish. That was round 1 over, so I was looking forward to the famous body slide massage, which was a bit of a let down as she just laid there next to me.

I got a bit of body sliding before round 2, but nothing exciting. SO round 2 again started with a bit of oral, followed by mish. I had to ask for A, which she accepted and lubed up. However as it was so dark in the room i cannot confirm it was A. Anyhows after pop 2, i dressed and was on my way. Nothing compared to the skills of Holly/Sally or the busy Zizzi. These 2 should give the other a few lessons in the art of skilled escorting. So I will be back to my usual 2 girls as they are true quality.
