Details of Service Provider:

Profile Name: A Spanish Escort And Tantric Masseuse In The City

The Premises:

Clean, quiet, discreet flat in this prestigious location on the edge of the City. You are given good directions to locate it. Not a great location for parking but taxis and underground close at hand.

The Lady:

Nerea is as attractive as her photos if not more so. She has a beautiful figure, long legs, beautiful natural breasts, a pert backside, warm lips and a lovely smile to top off this delectable package.

The Story:

My second visit to this lovely lady. Difficult not to keep going back for more. She can be warm, erotic, abandoned, funny, friendly, seductive, naughty and nice, all in one visit.

For once, I am not going to go into a lot of detail because I believe that Nerea will be what you want her to be and do what you want her to do, within reasonable bounds. You only have to experience those lips, that tongue, to know what I mean.

I've been round the block a few times. She is simply the best.
