### The Premises:

Gated apartments with optional parking. Clean quiet area of the Bay. Inside was spotless and well kept. Nice, safe friendly environment.

### The Lady:

Charlotte? Bloody gorgeous. Not a stick thankfully, but a beautifully formed body with amazing soft skin. She smelled lush too! The photos really don't do her justice.

### The Story:

On arrival the warmth of her welcome was quite tangible, and she soon had my clothes off. She's an extremely tactile person, with a lovely gentle touch and beautiful soft lips. Needless to say she soon got the ball rolling with some lovely caresses and really mind-blowing oral. After returning the favour, which to me was just a great experience, the happy main event, which was as if we'd been seeing each other for years. Really quite remarkable how she pulls off the GFE.

After the explosion, we laid on the bed, just chatting, which was just as pleasant as the exercise... she's intelligent, witty and easy to talk to. Can't recommend her enough, it was a wonderful time, hopefully the first of very many.
