The Premises:

A huge apartment building behind padding station, very easy to find.

apartment was very clean and nice smelling

The Lady:

Lucia made the effort to dress nice and smell nice. her photo on the website are a bit photoshopped but not so drastic that he looks completely different from what you see on the site

The Story:

I really enjoyed my hour with Lucia, I have always avoided EE ladies as my past experience with them has been mechanical and are just about the money, I took a chance with Lucia after reading reviews and I can report back all of them were right.

From the moment i walked into the apartment I was met with a very DFK and she whispered some very naughty things to set the mood.

after donations were settled Lucia transformed into what I can only describe as a nymph. she clearly enjoys her job and makes sure you have a great time with her, which I did.

all services were on offer and she performed all with delight and ungodly stamina.

I really cant recommend this girl enough. she has a great smile, fun to be with and enjoys what she does
