### The Premises:

Alicia's, in all my visits, is still the best for access and consistency in approach. Showers in each room, beds have improved and each room is both warm and safe. The only let down is one toilet but most parlour's in Crewe are like that. Receptionist always considerate and careful of issues.

### The Lady:

Joanna is in her mid twenties, blonde, slim and about 5'5" and her photos on the website don't show how pretty she is. Looking at the rota, there are few blondes at Alicia's but her manner was very nice and warm with a tinge of a Liverpudlian accent. On the extra and manners side, she doesn't do anal, OWO, fingers within her or kisses on her lips whilst in the room. Roleplay and uniforms are not in her interests.

### The Story:

At first, I thought it would be an awkward session because Joanna didn't do many things but, like Emma before, I was pleasantly surprised as Joanna met all expectations. She was responsive to kisses all over her beautiful body which, I admit, was a turn on as we didn't kiss on the lips once but I couldn't keep my hands and my mind off it really. With her hands stroking my member, we went into a relaxing massage. The oral with, I have to say, was the only let down because it seemed a rapid blur of bobbing which, as Maxine's technique proved to me, feels only slightly arousing compared to a slow and gentle approach. However, Joanna made up more for that for her sensual hands on my member, brushing her body against mine, and ended up with a missionary and then her on top which was excellent.

Overall, like Emma before, Joanna is another one of Alicia's beautiful blondes and I definitely would see her again because, even without extras, the encounter was both exciting and satisfying. (Definitely needed that coffee afterwards). Speaking of which, she may not be everyone's cup of tea due to her limitations but she is way above most in other parlour's in Crewe at the moment.
