The Premises:

The place was very lovely and clean and not too far from the station. I like the fact the shower was so close to the bedroom that was a great touch. I had a shower before coming so I never needed to have another shower. But the shower was so inviting next time I'll have two just for the sake of it. The neighborhood was quiet and it's very private which I liked a lot.

The Lady:

Rafaella matched her picture you could see it was the same person. But in the flesh Rafaella was so much more pretty like a super model I was surprised that she never charged £150 - 200 an hour. Her body and skin looked and felt so smooth and you could tell she was clean and looked after herself. Hygiene is very important to me her face I'd rate 10/10 I wanted to kiss her juicy lips every moment I spent with her. Her body also 10/10. Her height might have been around 5,2 - 5,5 I'm not too sure never was good at math lol and she had the cutest little feet I wanted to suck on her toes through out as I have a little foot fetish. But yes very beautiful someone you would want as a wife, pornstar, girlfriend all in one AMAZING

The Story:

Sadly I was late getting ready as it turned out to be a random spontaneous thing I was browsing on adult work and thought let me give someone who looked nice a try I called up Rafaella and she was ever so polite and sexy on the phone I had to see her. I calculated the time it would take to meet her after the location was given and she said she would wait. I arrived half an hour late but she was so understanding and so lovely in person made me feel very comfortable. We spoke for a bit and then handled the paperwork and spent a lovely time together. I wanted to relax but Rafaella seemed more eager to please me which is good. If you want attention Rafaella is definitely for you. I would see her again as she catered to all my needs and is a delight to be next to you just don't want to leave. Also not once did she look at the time and her English is very sexy leaving is the hard part as Rafaella is so hot all her features are perfect I'm so glad I met her....
