### The Premises:

Town house in Milton Keynes. Lots of parking available but pay to park so bring change.

### The Lady:

The pictures on the website aren't very clear and don't do her justice. Face to face she is small and perfectly formed. With a graceful face, satisfying body and a tender look on life. She has everything you could ask for.

### The Story:

This was a 3sum with Tina and Molly. A lot has been written about Tina (check out Tina's reviews) and seeing as this will be Molly's first review I'll try and do my best to describe her and her ways.

When Molly first walked into the room I was struck with how beautiful she was. She came over to the bed, while Tina and I kissed Molly played with my cock before dropping her mouth over me, slowly but firmly getting my cock hard. Then on to some girl on girl fun. Molly and Tina kissed and played. This was fantastic to watch. Molly went down on Tina slowly licking her out building higher and higher until she came in my hands. Molly moves up the bed and starts to deep French kiss me with Tina's juices all over her lips and tongue. Amazing. While this is going on I'm being sucked off by Tina. I hold out as long as I can :) Molly's kissing is soft yet purposeful and deeply intimate. Her blowjobs are warm wet and wonderful. Her body is soft warm and seems pull you into itself. It was a Mind blowing experience. All in all, a great idea
