The Lady:

Not a bbw but not a slim Jim either. However, very attractive, great smile and personality and fabulous nipples. She is white and approx. 5 6.37 ish Good pics on site and police outfit is better for real.

The Story:

Met t door with a kiss and Karen wearing prearranged police uniform. sorted cash quickly and stood in kitchen having a drink. Loads of kissing and she led me upstairs. Undressed me as though she was a long lost lover and massaged waiting cock. More kissing, enjoyed sucking her boobs and delicious shaved pussy. Afterwards my turn and then then she rode me like I have never been ridden before (covered).

best sex for years. Not since Chelsea in Fingertips have I met such an enthusiastic and sexy lady
