### The Premises:

Yet another town house location close to the main shopping area - how many do they have??  
Discrete, clean and tidy

### The Lady:

Beautiful, much better than her non studio photos much more like the professional ones. Fantastic dark hair and eyes complimented by a fit and sexy tanned body. Age was about right according to her profile.

### The Story:

Came into the room, swapped some money for a glass of water, had the one piece pink underwear on as in one of her profile pics. Took it off to reveal that sexy body. A very gentle start with much kissing and exploring followed by loads of awesome oral, went down on her sweet tasting pussy and she sounded like she enjoyed it. On with the jacket and a lovey session of mish to a great conclusion. Beautiful young girl with a great body. It was a great experience which is highly recommended!
