The Premises:

Its always very discreet everytime I visit here and I park just off the main road. Ive always found the staff very friendly and amicable and rooms are always well heated,clean and a good size. Shower is always set at the perfect heat

The Lady:

I had only been in about 5mins when the petite and extremely exotic and seductive asia appeared on the scene, with an ass to die for, it took me about 10secs to decide I was having her. I adore those type of girls, the pocket rocket with the duracel batterys

The Story:

I entered the room with asia, my eyes firmly fixated on her gorgeous tight little frame and pert peach of a bottom, I showered as she disappeared for 5mins, I was already very hard with anticipation when she appeared, all bubbly and fun and cheeky, after plenty of banter and basic massage on my tummy, I turned over to see asia completely naked with an amazing body, she took all of my shaft in her mouth and spit on him which was huge turn on, she then asked me to fuck her from behind which I politely obeyed lol, she loved every second of me pounding into her from behind, making her climax very loudly, she then climbed on top of me and rode me as if her life depended on it. We were both breathless with lust. I had a mindblowing experience with a very stunning, erotic and naughty young lady which blew me away, hope to see you again sometime asia, x
