The Premises:

On a busy street, but I don't think anyone cares. Clean & tidy inside, rooms large & comfortable. Fit for purpose.

The Lady:

Michell walked into the room and greeted me with a gorgeous smile and introduced herself, speaks very good English and had a good conversation, looks like the pictures on the site body wise (you cant see the girls faces??), and WOW what a body, slim, big tits, nice arse. I would say she was mid-late 20's

The Story:

Opted for the body to body massage just to treat myself as I'd had a stressful week at work, it is a little more pricey compared to other places I've visited. Started off with assisted bath where she washed all parts of me & we had a good chat. Then we moved to the bed where michell gave me the best massage I've ever had, then she started to rub herself against me and made me forget everything. Then she asked me if there was anything else she could do for me, I said yes, and all i'll say is, it was amazing. Then finished off with another bath. After the hour was up I left very happy & satisfied. I'm passing Northampton again next week so will be stopping by again to see her again. Thankyou Michell see you soon xx.

P.S if you call to book her, ask if she can wear the poker dot bikini, don't know why but it turned me on
