### The Lady:

As tall as she was in the pictures. A very brilliant face!! The looks are just about perfect!

### The Story:

She can into "my" room. She did not have the toys or the dress I asked for. BUT, she did not need any of it! She was a beau!

We start of with a back massage. Just nice to hold the mood. The soon become to the front. I become stiff and a rake! Blowjob follows by a girl on top. Thrusting between slow and hard and until a came.

WOW!
