The Story:

Valery turned up at my hotel , promptly, looking magnificent. She is truly a striking figure. Easy to chat to, put me at ease very quickly. We went out for dinner first and boy does everyone look [not at me] She is very tall, and striking. Carries herself well so everyone looks. Great company over dinner, funny and interesting. Lots of touching, kissing, holding hands which led up to a pure night of pleasure. Fantastic deep kissing, lots of oral, and her OWO is tantalising. Lots of different positions. Her skin is delightful and her bottom and breasts are perfect.....cant see it getting better than this !!
