The Premises:

Great location, short walk from Oxford Circus tube/Regent St./Bond St. tube. Very nice third floor apartment. Discreet entrance. Flat itself is very nice, would like to live there myself in fact.

The Lady:

Tiny, and nothing short of perfection (for me anyway). Stunning body, an absolute little angel.

The Story:

Well, I could summarise this in the simple feedback I sent to the agency: "WOW!" I don't do this sort of thing often, in fact it has been many years since my last. I tried to book Lilly a fortnight ago as all the reports I had read on her made her sound like my dream woman. I wasn't disappointed. So if there are better girls out there I would be amazed, because from the second she opened her robe, to the second I left, I couldn't keep my eyes off her. I had been looking forward to a nice massage, but there was no chance of this.

I am reluctant to leave feedback in fact because I want Lilly all to myself. Not a clock watcher, amazing in bed, a GENUINELY lovely person...what can I say...would see this girl every minute of every day if I could!
