The Premises:

A pretty stadard working flat in london

The Lady:

Cindy very petite less then 5ft attractive girl.....she greeted me at door wearing the tiny tartan skirt and whit blouse and stocking..and looking exactly as in the pictures.The school girl look....!

The Story:

We started with a chat on her sofa I handed over the money. she seemed a little a nervous at first her English is not very good.She was little unsure of herself I got things underway with some french kissing.plenty of tongue action and sensual without being overly aggressive.then off with blouse and my attention fixed on her breasts she as moist perfecta nipples and I thoroughly enjoyed sucking and fondling them throughout .i then indicated that my cock could do with some strontium so down she went for nice OWO Action with me lying back on sofa she kneeling between my legs in front of me lost eye contact and playing with my cock.Before I decided to return the favour and go down on her.Then I suggested we move to bed for fuck in doggie.Missionary.Then I come in her mouth and she want in bathroom to clean up then on to round 2 with more OWO and come in her mouth she thoroughly delightful girl who gives her all to make you Happy
