The Premises:

bedrooms are very warm and colourfull there is enough parking their, the premises is nicely tucked in you can almost miss it. reception is very clean but i think they can do with a bigger lounge and the shower is working perfectly.

The Lady:

this lady is a bombshell she is very beautifull and very experienced, she matches her photos exactly,physically fit and very hot for her age.

The Story:

let me start by saying this is my first review, waiting in the venice pictured room for her after a nice shower she came in very friendly and discussed what i wanted i chose A level and cim i chose a sensual massage which came with dirty talking then she began a owo which i must have to say those lips of her did me justice as i just about wanted to shoot in her mouth but life finds a way and i controlled myself,after a brief encounter with her ass i wanted to go straight up the rabbit hole, i did two positions of anal and every thrust i gave she was howling and moaning i was too busy doing my thing,then i innovated and whilst up her anal in the missionary position i began to suck on her very pretty toe as i carried on sucking her toe she went so wild that i really felt her reach orgasam very memorable for me. and so on it went with owo ,as she gave me everything with her succulent lips i knew this is it its now or never i told her i am ready she didnt even blink to remove eye contact her face is soooo pretty that i gave her what she wanted, during the cim i cryed and laughed like a baby,i felt so delivered.afterwards she gave me very tight hugs and kisses i treated her like a lady and left some chocolate maltezers for her.

this girl is not to be missed , she will devour you and make you feel like a king. cant wait to save up and visit her again.gfe rocks.
