well raisa came into the room and i was very impressed about 5/3 did the paperwork and started out with great fk as i squeezed her nice firm buns,now i sat down on the couch and let raisa suck my very hard cock great eye contact and nice and deep slow and then fast lots of spit wish i was still sitting their god it was good now we go into 69 and raisa tasted like honey with extra sugar this went on for quite a while as i live on a good diet of sweet young pussy. it was now time for the hood and raisa put it on with her mouth which i do enjoy so we started with her riding me on top going at it very nice and i got to play with her nice tits and more fk as we fucked now into doggy and what a cute ass i told her she might try anal with me but she laughed and declined but i will try again for sure well time running out as it does at annabellas when you are having this much fun so into missionary deep fk and i finished deep inside her great punt sweet darling of a girl yes baby im coming back for more kiss kiss andy.
