The Lady:

Pictures on the site were stunning and said that she was 23, Polish.

When she arrived, she looked much older and different. She wasn't bad looking though, but wasn't at all like the photos on the site.

The Story:

This was my first time with an escort/ outcall. Didn't know what to expect.

As soon as she came in, she made me feel comfortable, spoke nicely with a Polish accent. Pretty nice lady. She said that she was much younger in the photos (23) and that she was 27 now (could explain her looking older).

She stripped, got on the bed and asked me to do the same. I obliged. She wanted to dim the lights, I didn't have a problem with this.

She gave me a BJ and then went on to CG. Once we finished this, spoke and cuddled a bit (after washing, of course). Second time around, she did BJ again and asked me to do her. Did mish, I asked her to cum, she obliged and seemed to be enjoying herself. She wanted me to time it with her, but I couldn't finish off yet. I asked her if we could change positions. She offered doggie. I finished and it was about 1 and half hours already. Spoke a little, cuddled, and then she left. She certainly knew what she was doing and said that she would like to see me again.

Overall I had a good time with her, no regrets. Only thing that bothers me is that I can't tell if it was the same girl in the pictures (older) or a different lady.
