The Premises:

It's the usual hotel/apartment block 10 mins walk from South Ken tube. Easy to access and safe. Was offered a shower on arrival but didn't use as had just done so at my hotel around the block. Her room is clean and tidy but basic.

The Lady:

Rickey is fairly close to her pictures, with only some minor photoshop touching-up (which, as can sometimes be the case, isn't really necessary as she is naturally pretty). Great figure, slim and petite but with great shapes just where they should be! She was dressed as I requested and looked really good. Long blonde hair, beautiful eyes and a nice smile.

The Story:

I was considering a few other girls but the agency recommended Rickey so I decided to go with it and booked well in advance, if nothing else just to stop me from constantly changing my mind about who to book (does anything else agonise for ages over making punting choices? No? Just me?!).

Things started a little nervously on arrival I felt, but that may have been partly down to me having come to the appointment after a break from punting for most of this year so I won't blame her for that.

After a bit of chat and touching, Rickey did some great OWO. Great technique with plenty of eye contact which I love and which is often lacking. The main event was absolutely spot-on. Didn't try A-Level but she was willing and enthusiastic throughout and really knows what she is doing.

Probably would have gone for a 2nd round had it not been a fairly late appointment at the end of an exhausting day, but instead had a great chat afterwards and was impressed at how smart and focussed this girl is.

It was an unrushed and hassle-free booking and I will be aiming to go back to see her as soon as I can - and since that's something I hardly ever do, you can probably tell that she is highly recommended!
