The Premises:

A fancy apartment in a newish development round the back of Paddington station. Nice and clean, smallish room.

The Lady:

Similar to he pics, perhaps a little larger and not quite so pretty.

The Story:

I had booked a 11am appointment as I had a meeting nearby afterwards, so thought it would be a nice start to the day. I arrived at Ernesta's flat on time and she greeted me as requested in a French Maid's outfit. Not as sexy as I thought, but nice anyway.

I showered and we got down to business. She was friendly and I liked her, but I don't think we really quite clicked, she told me that she was tired as this was an early start and she wouldn't do OWO because she hadn't had her coffee yet. She didn't want to kiss. I know these things are at her discretion but it was a little disappointing for me.

But it was an enjoyable time, not my best punt, but I think she could be a very good one if we had clicked. She told me near the end that I wasn't her type of client. So I will recommend and hope that you are her type!

As an aside, I was very impressed with the agency for taking the booking and listening to my feedback afterwards. I have used them a few times now and will continue to do so.
