The Premises:

A new venue within easy walking distance from Lancaster Gate or Marble Arch. The party was mostly in the one big play room which was very adequate for the occasion. Shower facilities, clean towels and robes provided. Place is clean and very pleasant inside and was easy to find. Drinks and snacks provided. The famous love swing was set up in the main room near the end of this party as it had initially been installed in an upstairs room, but I think it's much better in it's new place as it keeps the party all together and the atmosphere thrives.

The management seem to be working very hard to make these facilities the best they can be, and the little tweaks I found to be great at creating the best party atmosphere possible. I loved the idea of the refreshments being in the main party room too, so you can have a breather without leaving the party. My hats off to the management, because they are very committed to providing the very best experience for all their guests.

The Lady:

6 girls were partying today...Anna, Kasia, Ivana, Charlotte, Jess and new starter Kimochi. All very attractive ladies, all very friendly and very accommodating. Some well known at parties for a long time, others more recently established but fitted right in. The party organisers are very friendly and welcoming and really want everyone to enjoy their experience and create a very welcoming atmosphere to relax in.

The Story:

I think around 7 guys turned up today as the parties are getting up and running but as only 6 were ready to start it meant we had a nice relaxed introduction with a girl each and I started with the incredible Anna. Lots of fun chat and then a bj and sex before I needed to mingle around the party, so moved to join Kasia for doggy while she was giving a bj. We then swapped ends and I got the bj while the other guy got to enjoy doggy with Kasia. When he moved on I got Kasia on for cowgirl, then mish, then RO until she was shuddering through a climax, then more mish before I moved on for more mingling.

I then met new girl Kimochi and found her to be very enjoyable company, a sweet ebony girl with a gorgeous figure and after some fun introductions she was soon giving me a bj....but as nice as it was I just had to have more. She got on top for cowgirl then we went through mish, doggy, standing doggy, more mish and several variations on many positions before I needed to rest for a moment and mingle some more. Hope she stays...she is going to be a much loved addition.

I then met Charlotte who has been a party girl for a while but this was our first meeting. She was giving a bj so I slipped in behind for doggy for a fun session. Then I went to assist with Anna who was getting RO so I added my efforts to pleasure her, then as she went to return the favours to her other guy I got taken away by Ivana, a girl I've known a long time. Had an incredibly steamy session with Ivana....the few weeks off seems to have made her super sensitive. She wanted to return the favour but I needed to relax for a bit and recover.

Final moments were back where I started...with Anna, as we continued our passion until unfortunately the 2 hours was up way too quickly!! LOL!! As always, all sex was covered and oral can be whatever the guest or lady prefers. A great party with a very enjoyable atmosphere with the guys and girls.
