The Story:

I first saw Natalie's profile a few months ago and decided I wanted to see her, but she is a genuine part timer and mainly does outcalls and only does occasional incalls when she books into a hotel, often at weekends.

I kept an eye on her profile and as soon as I saw she was doing a mid week session I made a provisional booking and got to see her last Thursday at an hotel in Paddington.

After I had freshened up in the bathroom, Natalie and I had a good snog, while I felt the bumps of her sussies through her dress which soon came off to reveal nice undies including suspenders to hold up her seemed stockings.

Next I got her to lie back on the bed so I could give her good licking and rimming which she enjoyed, then on to some 3/4 point stimulation, to make sure she was ready for action.

She have me some sucking to make sure I was rock hard before the condom went on and then she knelt at the edge of the so I could lube her bum before I slipped in for several minutes of satisfying anal before I came.

After some recovery time she spent some time sucking me and once hard I enjoyed some long hard deep mish but despite words of encouragement from Natalie I could not manage to cum. So I pulled out and took off the condom so Natalie could give me some more oral and handwork which resulted in her squeezing a little more out of me and I was able to leave happy I had at last got to meet Natalie.
