The Premises:

Lola's place very discreet with entry through a back entrance, not overlooked, felt safe and, with her directions, easy to find. Easy free parking in the area, no hassle. Met at the door by lovely Lola and shown upstairs to the room - all immaculate.

The Lady:

Lola is around 5ft6ins tall with a wonderful firm bust approx. 34/36, age early to mid 30s, lovely long dark hair and piercing blue eyes, like her photos only better. She was dressed in black retro basque with black fully fashioned seemed stockings - just the job !

The Story:

Once in the room which was beautifully furnished and immaculately clean, we sorted the finances and since I had informed Lola of my preferences prior to our meeting we were ready to go. She gave me some DFK before giving me a superb massage, erotically paying attention to my rear parts. Soon she turned me over and proceeded to give me the VERY best OWO that I had ever experienced in the meantime she was inserting a vibrator into my arse and I was soon pleading with her to hold back which she did. After some tit fucking, she returned to oral and I could hold back no longer coming profusely in to her mouth. Wow what a woman, may try some BDSM next time as I understand that she is also an expert on this subject too. Thanks Lola Tony10 x
