The Premises:

Modern flat in a nice, safe sea. Very discreet

The Lady:

Evie, is a beautiful, tall English lady. With a welcoming smile. Her photos do not do her justice as she looks amazing in person

The Story:

The greeting was memorable. I was barely through the door and still had my coat and we were passionately kissing in the hallway.

She led me to the bedroom and I was offered a drink. We had a brief chat and then it was down to business.

Being a gentleman I will not go into graphic detail. What I will say it was a very memorable hour with both of cumming intensely. When she was riding me with her large breasts swaying it was a site to behold!

Evie ticks all my boxes:

Tall & very attractive

Large natural breasts with large nipples waiting to be sucked. A must for all 'breast' men!!

Passionate/sensual kisser

Great oral technique

Sweet tasting pussy

What more could I want. I will definitely be returning to see her. I suspect I will become a regular visitor.

If you treat her like the lady she is, you will be well rewarded.
