The Lady:

The pictures show a tall dark haired woman, with a washboard stomach shaven cunt and long legs. Yes they are accurate.

The Story:

Gemma walked into the pleasant bedroom. She was the advent girl and stunning. Holding her from the back and stroking her tits as she pushed her arse into my cock produced the result I wanted. She allows licking but not fingers in what is a very tight vagina. The 69 was superb as I went from clit to fanny to arse, and she sucked, licked and spat on my cock. Gemma is fun and articulate she added the odd dirty suggestion and with durex in place sat on my appreciative cock. She does not do CIM so to her willing riding and occasional cunt muscle clasp I groaned and came deep in her, just as the maid knocked. I will return and give the HOD their tithe.
