### The Premises:

easy to find ,car parking excellent ,very clean inside and friendly atmosphere

### The Lady:

id seen the web site and took a fancy to Danni ,as i entered she was sat on sofpa, i picked her as she stood her legs seemed to go on for ever,in her very short dress i noticed how busty she was and her long black hair,also very warm and friendly with a stunning smile

### The Story:

only way to describe my experience is awasome.her oral is out of this world she really throws herself into it as with everything we did all she wanted was to please she objected to nothing, everything was protected but its how i like it i didnt ask for without so i cant comment on that, the 69 was excelent best ever...will i be back you bet i will
