The Premises:

Convenient location, adjacent to tube station. Large busy tower block with entry phone. Nicely furnished comfortable bedrooms. One is very generous with a nice couch. The other a little less spacious without much room to leave one's attire.

The Lady:

Valentina is a stunning exotic Brazilian beauty, as stated in her profile. She is artificially enhanced, with a great body and gorgeous eyes which will melt your heart.

The Story:

Called up and was lucky to find Valentina was free, which was ideal, as I was looking for a short notice appointment. 15 minutes later I was at the door, and after another ten, Valentina entered the room. Completely unconcerned about the paperwork, we embraced (she recognised me from previous visits) and she indulged in a passionate kiss. Very shortly I found myself standing by the side of the bed, her sitting on the edge, giving me OWO with tenderness and passion. She was quite happy to go on like this, until I suggested that we move onto the bed to continue in greater comfort.

Eventually we moved on to 69. She was quite happy to be sucked and licked, and her shaven pussy looked and tasted amazing. This went on for some minutes until I prompted her to reach for protection, and we then enjoyed sex in a number of positions, including doggy style in the mirror, and ending up with her legs in the air, and my holding them by the ankles enabling a vigorous and passionate finish. She makes great sounds and eye-contact, and at the end was happy to lie back and just enjoy the moment together.

She is a genuine, friendly and passionate Latina beauty. Wouldn't look out of place in a feather costume on a float at the Rio Carnival!

Thank you Valentina, and look forward to seeing you next time.
