### The Premises:

Situated on Attercliffe Road opposite another well known parlour in that area. Access is gained via open door just off main road up a couple of flight of steps to another door. Room is nice and tidy but shower is in bathroom but you are guaranteed not to meet another punter.

### The Lady:

Melissa is a nice looking blonde haired lady in her thirties. She has a very nice slim curvy size 10 figure with a 34e bust very much in proportion and tanned. She engages in conversation putting you at ease.

### The Story:

This was a pretty much basic service but a very good one. A massage was offered on my front which eventually led to her giving me oral with. We had sex first in the missionary position before reverse oral for a few minutes of which she got quite sensitive until i had to stop. We then had sex in a couple more positions before she finished me off by hand. This was a very good no rushed session with Melissa and would definitely go back to see her.
