### The Premises:

Convenient location. Nice flat and very good shower in particular.

### The Lady:

Tall, red-haired, attractive lady. Very affectionate. A real MILF.

### The Story:

If you're looking for gfe, then Chloe is the lady for you. As soon as I arrived and sorted out the paperwork, she started kissing me and sexily undressing me. This soon brought me to attention. I had an assisted shower. This was a first for me, but certainly won't be the last time. Her owo is wonderful. But the best thing is she really enjoys being with you. The time seemed to rush past, but every moment was one to savour. Next time I go, I'll try and get there early and take advantage of the early bird discount. Strongly recommended.
