The Story:

Angel came into the room wearing a red bra, suspenders and panties, lovely face and long dark hair. Some kissing, unwrapped those great tits and sucked her nipples. See explored my body with an all too brief oral session (very good though). Went down on her, lovely soft pussy lips, then on with the cover for some mish to finish. It was rather brief (some of that down to me!) but she was the advent girl and it was £40! She was fully booked so it must have been a tiring day and maybe she was pacing her self. Lovely personality, chatted for a while afterwards - would recommend
