### The Premises:

Discreet studio flat located near major Tube station in West London. Very safe and very nice.

### The Lady:

Pictures at Max's are totally accurate. What you notice the moment she opens the door is her smile. A bit above 5', well proportioned and well totally my type.

### The Story:

Second time I've seen Abigail and it was everything I could have imagined. Her positive attitude, good humor and generosity made the difference. Won't get into details but will just say I left feeling fantastic and I will definitely be back. Great way to end the year with a bang!
