The Lady:

Anastassia is Dark haired and slim with a petite pretty figure. She is in her early twenties. She is definitely an attractive girl - sort of looks you would be pleased to be seen with by your mates. A very pretty back and cute bottom.

The Story:

I was keen to see a fun naughty pretty girl who I could chat with happily. Harry at saucy london has a great selection of such girls and recommended Anastassia. She looks quite thin in her photographs but actually is very slim yet with some nice curves in the right places. What is for certain is that she is a real posh girl and not pretending - she attended a proper all girls boarding in the home counties and it shows. So if you want to be with a real upper class girl from a county set background Anastassia is your one. This does not mean she is stuck up - quite the opposite very engaging and interesting with lots to chat about. What is even better is that she is really into sex and very open minded - happy to talk dirty in that upper crust voice! Clearly likes this game and is good at it. Great blow job - sex all positions. Came first with her in Doggie great view of her beautiful arse and back. Then a fun chat and she very much on for round 2 - came again with lots of encouragement from her which was actually rather warm and intimate and felt great. So - I totally recommend Anastassia - sweet girl, interesting, very enthusiastic and a pretty face, loads of lovely dark hair, sexy body.
