Very clean and cosy room.

The Lady:

She is much more stunning in person than on the pictures. Very pretty petite and beautiful. A girl that you just can't take your eyes off.

The Story:

She was simply amazing! From the first minute she walked in the room, she was very friendly and made the environment really comfortable. Her massage was really gentle and nice experience all over. At some point she was letting me to massage her and this was just amazing. She really made me feel special and by the end the heat was really on! I would really recommend her and for sure I will pay another visit to her soon.
