### The Premises:

Cosy flat in upmarket location. Clean & comfortable.

### The Lady:

As per the pictures on her website. Very attractive (IMHO) and easy to get on with. Christine was very nice, maintained a professional distance which I quite like until I settle into a booking.

### The Story:

Don't like being pounced on when I am meeting someone first time. Conversation with her was relaxed and easy, very important. Once the money had been sorted, she asked me what I liked and wanted to do. I told her I liked oral sex and asked if she liked to receive. She did. After me giving her sweet tasting pussy some avid attention, we swapped over and she gave me a lovely BBBJ, and asked me not to come in her mouth. She brought me to the brink and I stopped her before I exploded. After a few minutes, she did it again and this time I asked her for a condom. Once that was in place, she mounted me cowgirl style and rode me to a satisfying climax. Her lovely firm breasts jiggling up and down whilst she rode me was a sight to behold. Lovely ! Afterward, she cleaned me up with wipes and tissues and we chatted some more about Christmas plans whilst I dressed. There was no rush and I left there a happy punter.

I have no hesitation in recommending Christine to others and would like to see her again myself.
